Apple IIe Card: ProDOS 1.9. Corrects AppleWorks Date Errors

===

Article Created: 6 June 1991
Article Last Reviewed: 2 June 1992
Article Last Updated:

TOPIC ---

When I'm running the Apple IIe Card, AppleWorks does not seem to access the
clock correctly: the date is wrong.

DISCUSSION --

Update the version of ProDOS on your AppleWorks disk to version 1.9. This
version of ProDOS is shipping on the Apple II System Utilities version 3.2.
